By Order of the Provincial Health Officer

It is mandatory that all NIWRA visitors wear a mask or face covering when indoors.

Public health experts have mandated the use of masks or face coverings in public settings, including retail. To protect everyone, all NIWRA guests must wear a mask or face covering that covers the mouth and nose when in the Gift Shop and other buildings.

This mandate does not apply to children under the age of 2 or to individuals who are unable to wear a mask or face covering due to a medical condition.

The use of a mask or face covering is not a substitute for social distancing. Please continue to observe guidelines regarding appropriate distancing while on NIWRA premises.

If you do not have a mask, please take one of ours.

We also require that everyone uses hand sanitizer when entering NIWRA. For your convenience, sanitizer is provided at the entrance to the Gift Shop.

Thank you for your understanding and cooperation.
